**Subject:** Brits Top Ten New School Results at Europa Cup Final

Tom Last (England Freestyle Ski Team, Line Skis and Smith Goggles) led the way for the British at the recent Europa Cup finals in Andorra(21-24/03/03). Tom (17 years old) achieved a magnificent ninth place in the halfpipe and tenth place in the slope style out of 38 of Europe's best New School skiers. This was nearly matched by British Team Skier Andy Bennet (Fat Face, Line Skis, Ellesse, Bollé, Columbia, Thaw, Bridgedale and Hestra) who placed tenth in the slopestyle and twelfth in the halfpipe. Tom's ninth place was the best placing by a none French skier. Milo de Glanville (19), Englands other entry did not start because of illness.

The top ten results for Andy and Tom follow a great season of victories and top 3 placings for the pair in competitions around Europe and the USA.

British Development Team Skier Chris David (25) was the best placed mogul skier, narrowly missing out of a finals placing after finishing eighteenth.

English Freestyle Skiing is supported by Sport England.
