Subject: Angus Morison, 3rd Czech Europa cup 23rd of March

Angus Morison, 27 Britain's top male ski cross athlete produced the best result of the season and of his career on the 23rd of March at a Europa Cup event in the Czech republic. Angus produced a solid qualifying run on a flat but tricky course to leave him battling for top honours in the main event. The semi finals proved to be a battle for Angus as he tussled with a German athlete as the were both gunning hard for a place in the final. Angus, however came through strong to see himself through to the final.

With the toughest lane draw in the final, Angus had a difficult job to make it to the podium. A strong and aggressive run saw Angus move into 3rd place just before the finish line and saw Angus stand on the podium at a Europa Cup for the first time.

This is a fantastic result for British skiing, to have an athlete standing on the podium at a Europa Cup shows real success in the sport of Ski Cross.

Angus is now looking forward to next season where the goal will be to reach the Olympic Qualification marks
