## WHERE ARE YOU GOING?

### LES DEUX ALPES

Les Deux Alpes (also known as '2 Alpes') is a great resort that we've got

to know very well over the years. We always look forward to returning there.

One of the highest ski resorts in Europe, Les Deux Alpes is 'snowsure' thanks to its extensive glacier and a high proportion of runs above 2100m (the highest lift is at 3568m)... with a great freestyle Slider snowpark, long runs, off-piste and freeride skiing. It offers everything needed for a great holiday off the mountain too with lots of shops, bars, clubs, restaurants and leisure facilities.

Read all about why we have chosen Les Deux Alpes, details of all the mountain features and resort facilities and information on how to get there, on our website.

### ALPE D'HUEZ

**NEW** for the first time in 2006-2007 is a day in the nearby resort of Alpe d'Huez. This is included in the holiday and SnoTribe Camp packages.

Like Les Deux Alpes, Alpe d'Huez also benefits from a glacier with its highest lift at 3330m. It offers easy access to the slopes and is at the centre of the linked area Les Grandes Rousses, which has 86 lifts and 230km of piste. Alpe d'Huez has one of the largest cable-cars in the world and boasts the 16km long La Sarenne run (one of the longest blacks in Europe) and the notorious Tunnel Run plus many off-piste options. Don't miss this - two resorts for the price of one!

### LA GRAVE

**NEW** this season, more experienced freeride skiers participating in the SnoTribe Camp in March/April may have the opportunity to ski down to La Grave from the top of the Dôme de la Lauze ski tow (via carrier) depending on conditions. La Grave is a unique resort combining backcountry skiing and an uninterrupted 2,150 m of downhill excitement, a freerider's paradise! (That's three resorts for the price of one!)

## OPTIONAL EXTRAS

Tourparty is able to offer a wide range of optional extras including:

### LIFT PASSES

Standard 6-day and 7-day Adult and Child Lift Pass are available from Tourparty. (The 7-day Lift Pass is included in the TeenSki package.)

### SNOTRIBE FREESTYLE & FREERIDE CAMP

You can book a place on the fantastic SnoTribe Freeride & Freestyle Ski and Snowboard Camp separately. You do not have to book accommodation or anything else with Tourparty to participate.

### EQUIPMENT HIRE AND SKI & SNOWBOARD LESSONS

If you require anything else during your stay, such as ski or snowboard lessons, ski and snowboard and boot hire or childcare, we will do everything we can to help you make the arrangements.

### TRANSPORTATION

Transportation for the day-trip to Alpe d'Huez is included in the price of all holiday accommodation and the SnoTribe Camp.

Transportation to and from the UK is not included (except as an option in the TeenSki packages), so you are free to make your own arrangements for traveling from wherever you live in the world to Les Deux Alpes in France.

Alternatively you can choose to travel with us by Executive Coach (or Minibus) from the UK. This will be a 'door to door' service each way with stops between Edinburgh and Dover along the M1, M25, M20.

### CHRISTMAS & NEW YEAR CELEBRATIONS
