Sponsors, Atomic skis, Sheffield Ski Village

Richard represents GB in half pipe on the World Cup Tour, is a regular participant in the London, Saas Fee and Verbier Ride series, competes throughout GB in the AIM Series and in the Brits. Coaches the 'Grom' freestyle camps at Rossendale as well as helping out at Sheffield Ski Village(SSV). Richard mainly trains at SSV as this has a dry slope half pipe -in the summer he also trains in Saas Fee and Tignes as well as using the Water ramp facility at SSV. This winter he will be performing shows at the Metro ski show and taking part in the competitions at the show. In January he will be will be off to the World Cup Half Pipe circuit as well as the Freestyle World Championships. He will then compete in a number of European based events including the Verbier ride slopestyle and the Orange Brits in Laax.

Richard is looking for a clothing supplier with whom he can work to develop the brand within Freestyle skiing and who will support him in his competitive career. Richard works extremely hard for his ski sponsor Atomic, appearing at events, ski demonstrations and shop visits when required. He also produces a regular newsletter for his sponsors. Richard would strive to ensure his sponsors were included in all media and press releases as well as being an ambassador for the brand in whatever way the sponsor and he agree.
