Let's start the summer with a Bang!!!

A freestyle competition for Skiers and Snowboarders

SNO!zone Castleford are renowned for building the best parks so its about time we threw the best competition in the UK. This will give riders a chance to show off what they have learnt over the winter season. The set up will be a unique CAS Vegas park with a special secret feature. There will be an advanced line and a rookie line with a variety of rails, boxes and jumps, offering everyone something to play on.

The night will give all riders the chance to push themselves and bag some prizes. It will give un-sponsored riders the time to shine as well as the pros, with prizes going out to the best males and females, best un-sponsored riders, rider of the night and many more. We will also be throwing out lots of spot prizes on the night.

The SNO!down is a Slopestyle event as a jam format with a 1 run SNO!down Throw down (just for fun and to bag a special prize). The jam format will give riders the chance to showcase a variety of tricks and push themselves to the limit. The tunes will be loud so you can get your groove on. Win the chance to ride at one of our exclusive street sessions or free riding for a month. At 10pm it will be time to get your party shoes on for the after party in 50fifty with a DJ and special drinks offers.

Price £25

There are Special discounts available for Friday night passes when pre-registering.
