

Overview / Highlights:

ENJOY World Class terrain in New Zealand, riding real winter conditions. Train at Skier Cross tracks in a stunningly beautiful country - break away from the summer heat; ride: powder, park and skier-x tracks!

Plus, you'll have the chance to watch the pros compete in the Middle Earth Freeski Championships and Armadaggon! How many ski camps can say that? These ski camps are unique and cutting edge.

Coaching provided by our All Star Pro coaches in small groups ensure that you go home with new skills.

Skiing in New Zealand means you ride Winter and Spring conditions, no summer sludge or dirt here. We ski all day long, just like you would in the winter. When the powder snow falls we'll head to Cardrona or Treble Cone for a day of freeskiing powder, both ski areas offer massive freeskiing terrain! No other ski camps can offer such diversity!

We transport you on a daily basis to the riding and to activities off hill, and on arrival and departure days we pick you up and drop you off at the Queenstown airport.

Enjoy comfortable lodging with amazing views, fun activities, skate-park, and much more - this is not your run of the mill ski camp with dirty bunk rooms and lousy food! Our accommodation is great and so is the food. Each day, our cook will serve up something new and delicious (it's the talk of the day, really). All Breakfasts, Lunches and Dinners are included.

The climate is Winter/Spring in the mountains with frequent sunny days. The valley floor remains green and lush throughout much of the southern hemi winter opening up opportunities to skate, play golf, mountain bike, sky-dive, fly by wire, canyon swing, hike around in the rainforest, bungee-jump, kayak, ride in the hot seat of a rally car, jet boat or an abundance of other great activities!

Flights: Book your camp spot now and call us to lock in low airfares!

Safety: Safety is a top priority throughout our days of fun activities. Our staff is First Aid certified and we take every precaution to avoid injury and incidents. In addition to our staff, Professional Ski Patrol service all of the resorts that we ride. The country of New Zealand as a whole is very safe. And, the community of Wanaka where we base our camp is a very small and safe community. We maintain a strict curfew and maintain constant supervision of everyone in our groups. Our staff, if separated maintains communication with 2-way radios and cell phones.
