Single Olympic Format

The event will be run using the Olympic Format which is deemed to be the fairest system for all athletes.

From Qualification 1 the top 8 athletes will progress straight to the final. All other competitors will progress to qualification 2.

After qualification 2 the top 8 will also progress to the final.

Final 1 will be the top 16 competitors with the top 6 progressing to the super final

The Super final will determine the overall winner.

Duals

The dual moguls will be run under the same conditions as the single moguls to determine the top 16. The top 16 will then dual.

Overall English Champion title

The title of English Champion will be awarded to whoever has the highest score irrespective of their age category. Medals for age categories will be awarded from the final overall results.

The format to be used for the English Moguls Championships will be Olympic format.

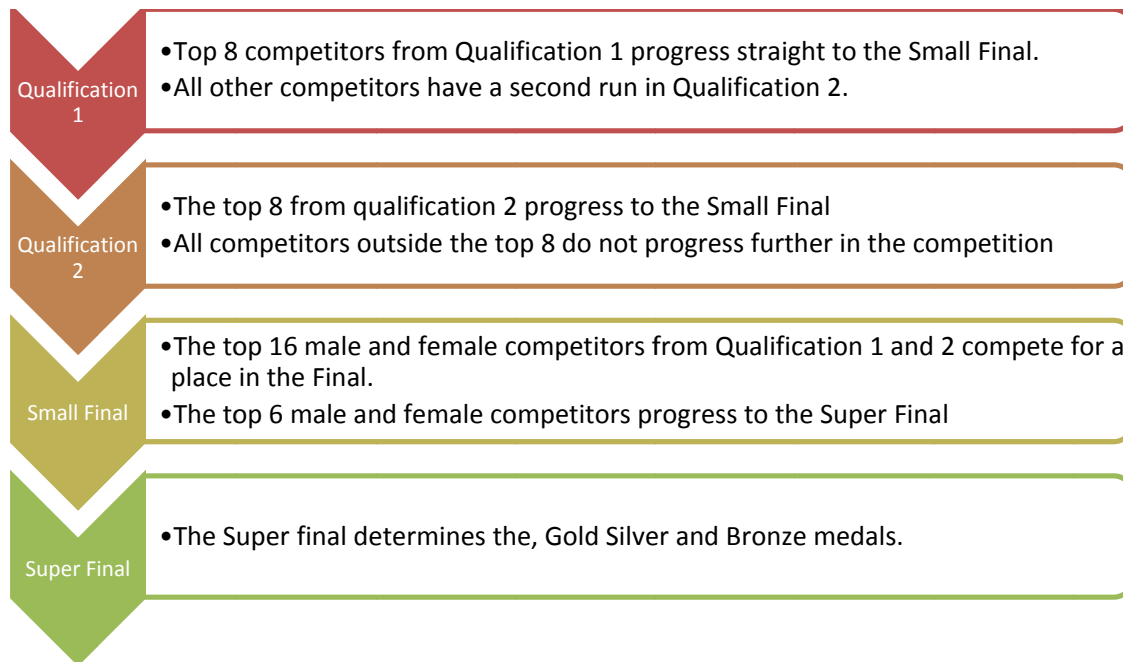

Below is a simple explanation of how things will work.

Chill Factor^e Event Operational Procedure - English Moguls Championships
16th May 2015

All age groups will compete together.

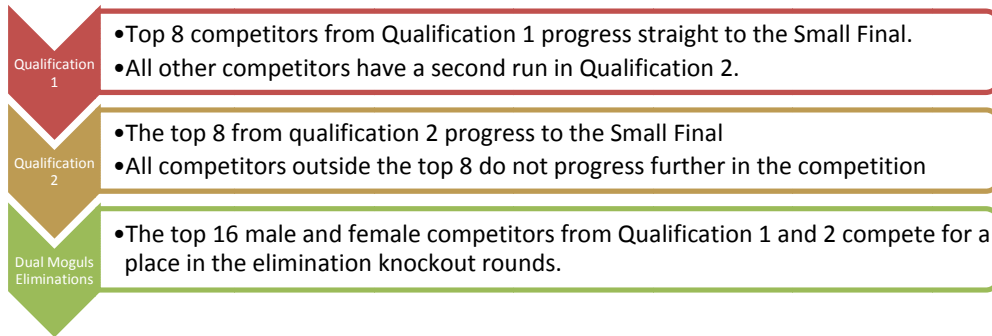

Winners of age categories will only be determined after the competition has been completed and will be taken from the final results list. Anyone not making finals or small finals will have the highest result from qualification 1 or qualification 2 used to calculate their age category result.

Single Moguls
